

Welcome to MCAS Iwakuni!

Welcome aboard MCAS Iwakuni. As a reminder, your pet is still under Quarantine per the Government of Japan (GOJ) until official release by a Veterinarian at the Veterinary Treatment Facility. Please adhere to the following rules of GOJ Quarantine.

- Your pet(s) will virtually check-in with the Iwakuni VTF within 72 business hours of arrival to complete their Virtual Initial Import Examination.
- Your pet(s) will present to the Iwakuni VTF within 72 business hours after exiting ROM status to complete their Initial Import Examination.
- Your pet(s) will be presented to the Iwakuni VTF every 30 days while under Quarantine. These visits will be for Quarantine examinations only. Any vaccines or health concerns must be addressed at separate appointments.
- You are required to contact the Iwakuni VTF if your pet is sick or requires emergent care while under GOJ Quarantine.
- While under GOJ Quarantine your pet is only authorized to stay at approved Quarantine facilities. These locations are your own home aboard installation or Atago, a pet friendly TLF room with you and your family, or The Barking Lot.
- Your pet(s) will stay on base at all times while under GOJ Quarantine.
- Your pet(s) will not come in contact with any other animals or people outside of your immediate family, the VTF staff, and/or The Barking Lot employee's in charge your pet's care for the duration of their quarantine.
- Your pet(s) will be maintained on a leash or in a carrier at all times when outside. This includes trips outside in your back yard.
- You are required to report any unusual changes in behavior or any sudden symptoms to the Iwakuni VTF.
- Your pet(s) are not allowed off-base; to include off-base housing, until they have completed their Final Import Examination, been officially released by a Veterinarian at the Iwakuni VTF, and their MDJ Form 270 completed.
