

PCSing with Pets from Japan

1. **Microchip**: Your pet requires a microchip
2. **Rabies Vaccine**: Your pet requires an up-to-date rabies vaccination. This vaccine must be given no more than 1-year prior to your pet's departure and should not be given within 30 days of travel.
3. **Please visit the CDC website to fill out the dog import form for the US.** This step is only if you are traveling with **DOGS**. Please make sure that you are filling out the form that states you are traveling from a rabies free or Low risk country into the US. We have included the website for your reference.
 - <https://survey.1cdp.cdc.gov/?form=556bcb90-1bca-4b01-8094-ad22a7169c32>
4. **Veterinarian Issued Health Certificate**: The health certificate is to be issued and signed by a veterinarian. If the military veterinarian is not available, this can be done at an off base veterinary clinic. There is a Japanese/English health certificate form included in this packet.

*** Health certificates are only valid for 10 days after issue ***
5. **Visit CFAS Personal Property**: This step is **ONLY** if your pet is flying **UNACCOMPANIED**, visit the personal property office and ask for **USFJ FORM 380EJ**
6. **Visit Sasebo Customs Office**: after all the above is complete. This step is **ONLY** if your pet is flying **UNACCOMPANIED**. See attached map.

Forms needed at the customs office:

- Signed health certificate
 - Rabies vaccination certificate
 - USFJ FORM 380EJ (if pet is flying unaccompanied)
 - Official PCS Orders
7. **Fill out Application of Export Inspection of Dog/Cat**: this form needs to be sent at least 10 days in advance to the airport quarantine service where you'll be doing the export inspection. This form, including contact info for the Japanese AQS, is attached and can be found online at the following website:
<https://www.maff.go.jp/aqs/english/animal/dog/export.html>
 8. **Please include the following documents when visiting AQS**
 - a. -Military ID card
 - b. -Travel(PCS) Order
 - c. -Veterinary Health certificate
 - d. -Rabies vaccination certificate
 - e. -Travel Itinerary
 - f. -Application Form
 - g. -Power of Attorney (It is necessary if you do the procedure on your behalf.)
 9. **Pet export Inspection**: done on the day of travel at the customs office of the airport you are flying out of. Please schedule this with the AQS of the airport you fly out of.

Other Important Steps:

- PCSing to countries other than the US: verify any additional requirements for importing your pet to that country.
- Please check with your airline directly for kennel specifications, heat embargos, breed restrictions, and to make reservations for your pet to fly.

Sasebo Customs Office

(ONLY NEEDED IF THE PET IS FLYING UNACOMPANIED)

Address: Japan, 857-0852 Nagasaki Prefecture, Sasebo, Hizukushimachi, 4-1

Hours of Operation: Monday-Friday (0900-1700)

Directions:

Exit base main gate and turn RIGHT at the light onto the 11

Pass the Gobangai (the mall) and the train station

At the next signal there will be an Eneos gas station on your left, make a RIGHT turn at that signal.

The customs office will be 1 block down the street in a 5 story building.

Free parking is available to the right of the building.

The customs office is located on the 2nd floor.
