

# Housing Management Division

## Pet Owner Responsibility

Sponsors are responsible for cleaning the areas used by their pets.

If kept outside, the pet's area must be policed daily to prevent a buildup of trash and fecal matter.

Owners must clean up waste left by their pet during walks.

Fecal droppings must be disposed of in sealed plastic bags and placed in garbage receptacles.

Un-bagged waste will not be placed in garbage receptacles.

Pets must be leashed or caged when outdoors in dependent housing areas.

Pets are not permitted within the playground area even if on a leash regardless of breed or demeanor.

Please report violations to 263-3527 or e-mail:
