

OFF BASE BLOODWORK REQUESTS

Use this helpful guide and conversation aid if you are being referred off base for bloodwork. Our facility should have already advised you what bloodwork you will need to obtain off base, **please be aware not all patients need everything on this list.** We recommend you only request the tests our facility will need for your appointment/medication unless you desire additional bloodwork.

CBC

全血球計算

Thyroid/T4

サイロイド

Chem

血液生化学検査

General Chem: ALT (GPT/GOT), ALB, ALP, AMY, CA, CRE, GLOB, GLU, PHOS, K, NA, TBIL, TP, BUN
