Spay and Neuter

San Diego Humane Society offers spay and neuter programs for the San Diego region. These resources provide affordable spay and neuter surgeries to individuals who meet eligibility requirements based on income.

The program provides priority appointment scheduling to our target populations that are at the highest risk for overpopulation: pit bulls, Chihuahuas, community cats and house cats.

LOCATIONS & SCHEDULING

- We provide spay and neuter services for pit bulls, Chihuahuas, community cats and house cats at our San Diego, Escondido and Oceanside Campuses. These services are for individuals who must meet eligibility requirements based on income.
- Active military with military identification who meet the eligibility requirements can schedule spay/neuter surgeries for cats and any breed of dog under 100 pounds.
- Please contact us to determine eligibility and to schedule an appointment:

San Diego Campus serves Imperial Beach, San Diego and Santee

5500 Gaines St.

San Diego, CA 92110

619-279-5085

spayneuter@sdhumane.org (<mailto:spayneuter@sdhumane.org>)

Schedule an appointment (<https://clinichq.com/online/5ca71efc-acad-407b-bb69-57a021a078ca>)

ADDITIONAL SERVICES AVAILABLE DURING SURGERY APPOINTMENT

- \$10 DHPP (Distemper, Hepatitis, Parvovirus, Parainfluenza)
- \$10 FVRCP (Rhinothracheitis, Calicivirus, Panleukopenia)
- \$10 Rabies. For all dogs over 3 months of age, a current rabies vaccination is required, or the vaccine will be administered on-site for \$10 on the day of the surgery.

- \$8 E-Collar. All pets will need to wear an e-collar for up to 10 days after the surgery. If you have an appropriately sized e-collar, please bring it to the appointment.
- \$15 Microchip
- \$10 Flea Treatment
- \$5 Carrier

Note:

- Pain medication is included.
- Blood testing recommended for animals between 7 – 10 years old and required for animals over 10 years. Blood test must be done within 30 days of surgery date through your pet's regular veterinarian.

VACCINATION POLICY

Our veterinarians highly recommend that your pet be current on vaccines prior to surgery and administered at least 14 days prior to surgery. They will be around many other animals and could be exposed to disease. For information about our vaccination clinics, (<https://www.sdhumane.org/what-we-do/programs/vaccinations/>)click here (<https://www.sdhumane.org/services/vaccinations/>).

LITTER ABATEMENT PROGRAM (LAP)

Free public spay/neuter service for those who:

- Are relinquishing a litter of puppies or kittens from their own pet. (*\$40 relinquishment fee for the litter; parent animal spay/neuter is free*)
- Have found a stray litter and are able to capture the stray parent animal(s). This is available for the cities of Oceanside and Vista only.

Aftercare

Please carefully follow these post-operation aftercare instructions (<https://www.sdhumane.org/services/spay-and-neuter/aftercare.html>).
